PROFILE

Digital marketer and Master of Management student at the University of Melbourne with hands-on experience in **brand operations** and **digital growth**. Skilled in SEO, Shopify e-commerce, content strategy, social media growth and performance analysis. Seeking digital marketing opportunities focused on brand visibility, audience growth and commercial performance.

KEY SKILLS

- **Search Engine Optimisation (SEO):** Experience across technical SEO, keyword research, on-page optimisation, competitor analysis and search performance monitoring.
- **Social Media & Content:** Experienced in organic content strategy, short-form content and performance-led optimisation to drive reach, engagement and audience growth.
- **Website & E-commerce:** Hands-on experience building and managing Shopify websites, including CMS, product catalogue, site structure and responsive optimisation.
- **Analytics & Optimisation:** Skilled in using performance data to evaluate results, identify opportunities and guide ongoing digital marketing improvements.

RELEVANT EXPERIENCE

Ertha Home | Digital Marketing & E-commerce

Jun 2026 – Present

Founder & Digital Marketing Lead

- **Website & E-commerce:** Built and managed a Shopify store from **0 to 1**, launching **100+ SKUs**, **30+ storefront pages** and supporting **30+ markets**.
- **SEO:** Implemented an end-to-end SEO strategy across technical SEO, keyword research and on-page optimisation, achieving a **477% increase in search impressions** and **15% growth in organic clicks**.
- **Social Media:** Grew Instagram organically to **6.6K followers within 1 month** and **784K+ organic views**, while gross sales increased by **570%**, orders increased by **400%**, and conversion rate improved by **102% vs. the previous 30-day period**.
- **Market Research:** Analysed **200+ search terms**, **500+ consumer reviews** and **50+ competitors** to support marketing and positioning decisions.

PROJECTS

MEI PI QI | Brand Strategy & Rebranding Project

Mar 2023 – Mar 2024

- **Research & Positioning:** Analysed **572 consumer reviews** using **Python** and conducted competitor research to identify consumer needs and define brand positioning.
- **Creative Direction:** Developed the brand's visual identity, IP concept and packaging direction, combining traditional Chinese opera-inspired elements with modern design for Gen Z audiences.
- **Brand Activation:** Planned a **pop-up campaign** and **merchandise strategy**, connecting offline experiences with social media and digital engagement.
- **Integrated Marketing:** Developed online and offline campaign concepts, with an estimated **35% improvement in targeting effectiveness** and a projected **15–20% conversion uplift**.
