PROFILE

Master of Management student at the University of Melbourne with hands-on experience in social media content creation and digital marketing. Passionate about food and café culture, with experience creating lifestyle and food content focused on visual storytelling and engagement optimisation across social media platforms. Interested in helping hospitality brands build a strong online presence and translate social media engagement into real-world customer visits.

KEY SKILLS

- **Social Media Marketing:** Experienced in managing **TikTok/Douyin content**, with proven ability to drive engagement and growth through short-form video strategy and visual storytelling.
- **Data Analysis & Optimisation:** Skilled in analysing performance metrics (views, engagement, reach) to refine content strategy and improve audience engagement.
- **Content Strategy & Creation:** Ability to construct content concepts aligned with platform trends and user behaviour, delivering high-performing and shareable content.
- **Teamwork:** Strong collaboration skills developed through multiple academic competition projects, contributing to teams achieving multiple national-level awards.

RELEVANT EXPERIENCE

Social Media Content Creator Mar, 2026 - Present

Self-managed Account (Douyin)
